

1ST ANNUAL PROTECTKIDSCAMPIONSHIP SHOOT

Dear _____,

I have signed up to participate in the “Protect Kids Championship Shoot” – on Saturday, April 29th at Black Dawn Armory in Sedalia. I am doing this to support the children whose cases of child abuse are investigated at Child Safe of Central Missouri.

The Championship Shoot is much like it sounds. I am going to use my skills in competing with other members of law enforcement and people who help keep our communities safe to do the best I can for kids. I am not asking you to compete with me but I do need your support to be able to compete! This is because I not only pledged to participate; I also committed to raise a minimum of **\$200 for Child Safe**, where every day they “Respond to and Prevent Child Abuse, Help Families Heal and Restore Childhood Hope.” One of the ways I can raise money is selling raffle tickets for a Winchester Super X Pump Marine Defender Shotgun. The drawing will be held at the event and you don’t have to be present to win. The competitor who sells the most raffle tickets will get to choose from the mega prize table first.

The children who visit Child Safe have faced far more fear and trauma in their young lives than any child should ever have to face. I decided that the least I can do on their behalf is use my skills in this fun and safe event.

So, how can you help? By purchasing raffle tickets from me for only \$20 each or make a tax deductible donation by check made out to Child Safe of Central Missouri, Inc. or go to www.childsafehouse.org and make an on-line donation and make sure you indicate that it is to support me. If you give me your check I will turn it in for you. **If your donation is \$100 or more, you will qualify for the Champion for Children 50-percent Missouri tax credit. Please call 660-829-3434 ext. 213 for more information.**

Please help me support the great work of Child Safe. In exchange, I promise to give it my all to help kids and keep our community safe.

I appreciate your consideration!

Sincerely,
