YOU CAN HELP!

Although we receive some VOCA grant funding, additional financial support is critically needed because every child deserves to be safe. We owe it to all children in every community to act now. Your contribution will help educate and empower children, families, schools, and communities. The end result will be healthier, happier, safer children and a better tomorrow for everyone. Please join our CHAMPIONS CLUB. Contact our Development Director, Julie Hoffert 660.829.3434 or jhoffert@childsafefhouse.org
